

10829 Green Heron Ct.

Spire-topped peaks and decorative trusses draw your eye to this beautiful brick and stone home. From the moment you step inside, you'll fall in love with this home's luxurious floor plan and spacious accommodations, including five bedrooms, five-and-one-half baths and plenty of space for future expansion. Finish the guest suite over the garage for your in-laws or older children. With more than five acres to call your own, you'll love this home's wooded privacy.

Main Level Highlights:

- The two-story foyer opens directly to two prime rooms for entertaining. Host groups for cocktails in the study, where a fireplace adds a natural focal point to the room.
- Your dinner parties will feel comfortable in the dining room. With an adjacent butler's pantry and storage, serving dishes will never crowd your party.
- Tucked away in a corner of the house, the home office is a bright and quiet space for efficiently accomplishing your household tasks.
- The kitchen's custom island with a serving bar is a great place for a quick snack. An additional island serves as a work station for all your food preparation needs.
- Windows along walls of the breakfast room bring nature closer to your morning meals. Enjoy watching the wildlife in your back yard's natural area.
- Gather large crowds in the family room, where its open space is ideal for many people. Two sets of doors open to the covered lanai, expanding your entertaining space.
- The covered lanai is sure to become your favorite spot. Featuring a fireplace and outdoor grill, you could spend the entire day lounging in this space.
- The owners' suite is your own personal retreat. A fireplace warms this room on chilly nights, while access to the covered lanai is convenient for summer months. The attached bath is more like a spa with its whirlpool tub, walk-in shower and dual vanities.

Second Level Highlights:

- An elevator seamlessly connects the three floors of this home, adding convenience to your everyday living.
- Each bedroom includes a private bath and walk-in closet. Two bedrooms include attic access for additional storage.
- Entertain kids and adults alike in the playroom. This open space can accommodate plenty of games and entertainment gear to keep everyone happy.
- Build out the guest suite over the garage for private quarters for overnight guests. Preplanned for a kitchen, bath and computer/learning room, this space more than accommodates long-term guests.

Third Level Highlights:

- Finish the media/recreation room and create a home theater for your family. Add the bar and bath to keep everyone comfortable through a movie marathon.
